And rainy weather is lots of fun.

Number/shape/colour songs

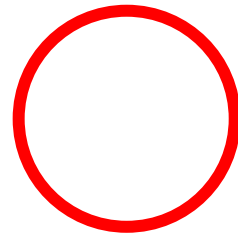

What shape am I?

(sung to the tune to 'I'm a little teapot')

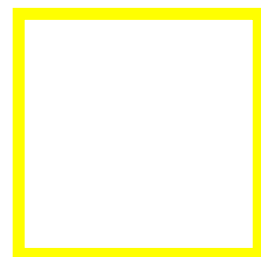

I'm a little triangle,
Look at me,
And count my sides, 123.
Whichever way I turn you'll always see
My sides are always, 123.

I'm a little circle,
Oh what fun,
I think I look just like the sun.
And even if I lay down on the ground,
My sides will still go round and round.

I'm a little square,
This is my name,
For all my sides are just the same.
You can count my sides just to be sure,
There are always 1,2,3 and 4.

I'm a little rectangle,
Sing my song,
Two sides are short and two are long.
I look just the same shape as the door,
Let's count the sides 1,2,3,4.

Bluebird, sky and sea, bluebird, sky and sea,

Thomas the tank as well, Thomas the tank as well.

Dingle Dangle Scarecrow

When all the cows were sleeping
And the sun had gone to bed
Up jumped the scarecrow
And this is what he said!
I'm a dingle, dangle scarecrow
With a flippy floppy hat
I can shake my hands like this
And shake my feet like that

When all the hens were roosting
And the moon behind the cloud
Up jumped the scarecrow
And shouted very loud
I'm a dingle, dangle scarecrow
With a flippy floppy hat
I can shake my hands like this
And shake my feet like that

When the dogs were in the kennels
And the doves were in the loft
Up jumped the scarecrow
And whispered very soft
I'm a dingle, dangle scarecrow
With a flippy floppy hat
I can shake my hands like this
And shake my feet like that
