

Pre School to School Transfer Project

Can you help?

Dear Parent/Carer

As you know starting school is an important time for both the child and the family. We and a number of schools, pre-schools and nurseries are involved in a pilot project to improve the transition from pre-school to primary school. As part of the scheme we need feedback from you on how well you feel your child's move to school went. Your views are an important part of the scheme. Could you fill out the following questions to help and guide us in this process?

Pre-School attended **School attending**

How do you feel your child has settled into school?
.....
.....

What do you think has helped with the transfer?
.....
.....

What could the pre-schools and schools do to further improve the transfer?
.....
.....
.....

Any other comments.....
.....
.....

Thank you for taking the time to fill out this questionnaire. Please return it to your child's class teacher by
