

## Nursery Parents' Questionnaire

We would like your child's move from nursery to school to be as smooth as possible and we value your views and opinions on how we could work together to achieve this.

It would be of great help to us if you could spare a few minutes to fill in this simple questionnaire with your thoughts and /experience on this matter.

Thank you for your help

1. **What information did you have in order to make the decision of which school to choose for your child?**
2. **Will you have the opportunity to visit your chosen school prior to your child starting in reception?**
3. **Would you like this opportunity?**
4. **Would you like your child to accompany you?**
5. **Do you feel confident enough to approach the school and ask for a visit?**
6. **Would you be interested in an informal meeting with your child's new teacher and other parents to share information and any concerns you might have?**
7. **What time of day would suit you best for this?**
8. **Do you think that it is important for your child's learning, to work together with the school?**
9. **What are your main concerns about your child starting school?**
10. **How can nursery best support you and your child as they move on to school?**
11. **Would you be interested in attending parent's workshops to inform you of what your child will do at school?**
12. **Are there any other comments you wish to make?**
